NEW LOWER -PRICES

These Prices in Effect Jan. 1, 1922, and this Price List supersedes any other printed list previously issued. Prices subject to change without notice.

SPECIAL ESTIMATES ON LARGE ORDERS

Very Large Planters Should Submit List of Stock and Permit Us to Quote Complete Price on Entire Order

TERMS All cash with order—no exceptions, except on orders of over 300 trees. On orders of 300 trees or more, to parties known to us to be reliable and well-rated, we will accept one-fourth cash with order, remainder upon arrival. Customer pays transportation charges. **Seeds,** cash with order.

Low Freight Rates Louisiana, Mo., is located on through main line railroads, North, South, East and West, and is on St. Louis low freight basis. We can make surprisingly quick shipment to all parts of the United States.

Small Orders Because of the increased cost of land, labor, implements, packing, etc., there is no profit on tree orders for less than $5.00. Please try to make your Tree Order at least **$5.00.** **Seed Orders** of any size accepted.

Non-Warranty In the event that any nursery stock or seeds sold by us should prove untrue to name under which it is sold, we hereby agree on proper proof of such untrueness to name to replace that portion of the order proven untrue to name, or to refund the purchase price thereof. Except for such liability, and in respect to all nursery stock or seeds sold by us, we give no warranty, express or implied, as to description, quality, growth, productiveness or any other matter.—Stark Bro's Nurseries & Orchards Co.

Changes in Orders It may be necessary to make some changes in size and variety of trees and plants ordered, **unless customer definitely states that it will not be permitted.** Changes, if made, will be under the direction of our expert trained men and equal or superior sorts will be sent and labeled correctly. We have the largest and most complete stock of nursery trees in America, but because of the unprecedented shortage and the greatest demand we have ever experienced, some sorts will doubtless sell out early.

We do not replace nursery stock that fails to live. Possible neglect of planter and unavoidable climatic conditions prevent guaranteeing trees, plants and seeds to grow. We deliver the stock to transportation company in good condition; our responsibility ends there. If the stock is damaged in transit, claim for damages should be promptly made on transportation company.

Non-delivery of stock is excused in case of fire, frost, floods, drouth, strikes, shortage of nursery stock or seeds, or other causes beyond seller's control.

Parcel Post Orders We can ship 2 to 3 ft. size trees by parcel post. Add ten (10) cents to the 2 to 3 ft. price and this stock will come to you by mail postpaid. We can also ship grapevines, berry plants and small size Ornamentals in the same manner—prices are 5 cents more than listed. However, we prefer express and freight shipments for trees, except for those far removed from railroads. All except large **Seed Orders go Postpaid.**

Special Notice When buying apple, pear, peach, quince, cherry, crab apple, plum, apricot, dwarf pear, grapes, berries, shade trees, shrubs and roses, the following explanation of Price List should be read carefully:

Each Rate—In buying fruit trees, less than 10 trees go at "Each" rate.

10 Rate—10 or more of a variety go at the "10" rate price.

100 Rate—Over 30 trees, not less than 10 of any one variety, go at the "100" rate.

1000 Rate—300 trees or over go at the "1000" rate.

VINES—BUSHES—A bunch of 25 of one variety of Grapes, Berries, Roses, Shrubs, Climbers, Hedge Plants, Garden Roots, go at 100 rate; 300 at 1000 rate. Buy 25—it is cheaper.

MOST DESIRABLE VARIETIES in this List are printed in black type and starred thus—
